

# Call for Papers

*The International Journal of Information and Management Sciences (IJIMS)*

ISSN: 1017-1819

DOI: 10.6186/IJIMS

The International Journal of Information and Management Sciences (IJIMS) is a Double Blind Peer Reviewed Journal under Department of Management Sciences, College of Business and Management, Tamkang University.

The issue solicits new contributions that have an emphasis on the following topics:

- Management science
- Marketing management
- Human resource management
- Technology management
- Service management
- Production and operations management
- International firms
- Policy management
- (Green) Supply chain management
- United nations sustainable development goals
- Financial management
- Artificial intelligence
- Homework research
- Big data analysis
- Corporate social responsibility
- Other management related issues

**IJIMS** is served for the academic and professional purposes. It provides new methodology, techniques, models and practical applications in various areas. IJIMS is oriented toward elucidating policy-making process, with the emphasis laid on the applications, especially on policy analysis of information management technology. It also explores the contributions and implications of knowledge-based models in the study of socio-economic systems, develops applications of computer-process database and knowledge-base to policy analysis and integrates the coupling of these various systems intelligently to a particular community, especially to developing countries that are in the process of stimulating national construction and development. Another major aim of this journal is to provide a forum for those researchers who attempt to quantify something or formulate a quantitative model from the qualitative problems.

- ✓ **IJIMS is cited in EI Compendex, INSPEC, SCOPUS, MathSci, Pascal, ZMath, and Mathematical Reviews.**
- ✓ **Topics of IJIMS are extensive.**
- ✓ **Papers should follow APA formatting and citation guidelines (7th Ed.).**
